ORDER:-

The Government of Andhra Pradesh is the pioneer in the Country in establishing a large number of Educational Institutions in the State. In the present circumstances, the Government have observed that a vital link in the field of education right from the school level is missing i.e. the discipline of Fine Arts. The introduction of fine arts at school level will help the students to develop their hidden talents in a holistic way. This discipline, however, has been totally neglected, resulting in boredom and drudgery in the portals of education. This introduction of Fine Arts will root the children to the Telugu Culture and Tradition.

2. The Government have, therefore, decided to introduce Dance, Music and painting as part of the educational curriculum right from the primary education level in the State in order to achieve the twin objectives of (a) initiating young students to develop their native talents right from the beginning and (b) providing employment to those who come out successfully from the Dance/Music Colleges of the State.

3. The Departments concerned are requested to take necessary steps for introduction of Dance, music and painting in all the Residential Schools of the State as part of the educational curriculum with the funds available with them. The fine arts faculty may be recruited on outsourcing basis, following the due procedure.

4. These orders are issued with the concurrence of the Departments of School Education, Social Welfare, Backward Welfare, and Tribal Welfare.

5. This order is issued with the concurrence of Finance Department vide their U.O.No.28865-A/1149/A2/SMPC Dept, dt.2-12-2009.
